

Commander GTN-750 Docking Station

The Lone Star Aviation Commander GTN-750/650 Docking Station is designed for Garmin's GTN-750 and GTN-650 GPS Receiver. While the Commander GMA-350 is design for the Garmin GMA-350 Audio Panel. The Commander includes everything you'll need to run your GTN-750 or GTN-650 outside the aircraft, including a chassis mounted avionics cooling fan

The docking station allows the pilot to explore basic to advanced GPS features and functionality in a non-flying environment. Ideal for training in your home, office or classroom.
